PERMIT APPROVED for Temporary Display of sign(s) at the above various locations, with the following conditions:

1. The sign(s) must be removed at the end of the time period described above.
2. The sign(s) and supports shall be set back at least three feet from the inner edge of sidewalks; where sidewalks do not exist, the setback shall be at least seven feet from the traveled way or edge of pavement of the street or highway.
3. The permit is issued subject to the limitations of 10 V.S.A. Sec 496(d), which prohibits the placing of any outdoor advertising structure within the limits of a highway right of way.

An applicant or interested person (defined in T.24 §4464) may appeal any decision or act taken by the Zoning Administrator, within 15 days of this notice, by filing a complete appeal as described in Section V of the Sign Ordinance, accompanied by the required fee.
